Greetings,

Music One is proud to celebrate 23 years of inspiring young hearts, minds, and souls through The Power of Positivity*. We are excited to announce the **23rd Annual Dinner & Showcase**, taking place on **Wednesday, May 28, 2025, at Rhodes on the Pawtuxet**—our most significant fundraiser of the year.

This special evening will feature performances by the exceptionally talented Music One recording artists, students from various Music One class sites across Rhode Island, and distinguished guests. We are honored to present the Clay Osborne Achievement Award to Mr. Joseph (Joe) Costa, the Wanita M. Osborne Lifetime Achievement Award to Councilwoman Althea Graves, and the Joel A. Osborne Sr. Prime Example Award to Mr. Christano Andrade, recognizing his outstanding service, leadership, and inspiration.

We invite your corporation to become a sponsor of this remarkable event and help us continue our mission of transforming lives through music and the performing arts.

At Music One, we are committed to harmonizing the future by providing high-quality music education that empowers and inspires youth. Through our unique music production and performing arts programs, we instill discipline, teamwork, and perseverance, fostering both musical excellence and essential life skills. For over two decades, Music One has served as a creative beacon, paving the way for a successful and harmonious future for countless young talents. We firmly believe in the profound impact of music education on academic performance, cognitive development, and self-esteem, and we remain dedicated to nurturing the next generation of artists and leaders.

To sustain and expand these impactful programs, we have set ambitious fundraising goals for 2025. Your financial support will directly contribute to the growth and success of the students we serve, ensuring they continue to thrive through the power of music and positivity.
